# Celebrate Independence Day

Join Mayor Suozzi and his family on Thursday, July 4th for Glen Cove's Annual Children's Bicycle Parade. Bring your entire family as we gather at the Finley Middle School horseshoe at 9:45 am. The parade will begin at 10:00 am. From there we will all follow the Glen Cove Volunteer Fire Department as we pedal into downtown. Children can decorate their bikes, trikes, wagons, scooters, Big Wheels or battery-powered vehicles using a patriotic theme. Please make sure everyone wears bicycle helmets and safety gear. When we reach Village Square we are going to recite the Pledge of Allegiance, sing patriotic songs and enjoy cookies and lemonade compliments of the Glen Cove Youth Bureau.

The festivities continue at Morgan Memorial Park later in the day with a Ribbon Cutting for our beautiful, newly restored Gazebo at 3:00 pm. Ian Petillo and the Legacy Jazz Band will entertain us with an afternoon of music in the Gazebo followed by a concert performance of the Northwinds Band at 7:45 pm. There is nothing better than a day of music in the park, so bring a chair or blanket and relax in the most beautiful setting on all Long Island. Immediately following the concert, at approximately 9:15 pm, everyone will be treated to a spectacular 4th of July fireworks display presented by Grucci.

Independence Day is a great time to be with family and friends, have a barbecue and enjoy each other's company. Please remember that July 4th is also about the founding of our nation by men and women guided by the basic human desire to be free. The rain location for the Northwinds concert is the Wunsch Auditorium at Finley Middle School, Forest Ave. The rain date for the fireworks display will be Friday, July 5th at Morgan Memorial Park.

# GLEN COVE AFTER 3 LIVES ON!!!!!!!!!!!!!!

Glen Cove After 3 is happy to announce that we will live on!! Glen Cove After 3 will continue to serve the youth this summer as well as during the school year. Glen Cove's "Adopt-A-Spot" is a beautification program in which volunteers from the community take responsibility for the appearance of the City by pledging to care for landscaping in certain designated areas. Volunteers receive recognition for their efforts through a sign posted at their adopted spot with the name of their organization.

# 10th Annual 'Cooking for A Cure' Hits \$700,000 for Diabetes Research Proceeds Donated in Memory of Glen Cove's Joe Mansi

The 10th Annual Cooking for a Cure event to benefit the Diabetes Research Institute (DRI) touched the hearts of community members. Not only did the dinner help reach the \$700,000 mark for funds raised through local charity events for diabetes research, but this year's proceeds were donate to the DRI in loving memory of Glen Cover Joe Mansi, who sadly passed away this year at age 77.

Nassau County Legislator and DRIF Board Member Delia DeRiggi-Whitton said she was very grateful that the Cooking for a Cure committee put on a 10th successful evening of gourmet delights at Page One Restaurant, owned by Joe Mansi's daughter Jeanine DiMenna, who has given so much to the Glen Cove community. The event was sponsored in part by Page One Restaurant, which is co-owned and co-operated by Peter Antonopoulos and Chef DiMenna. Proud to serve the people of the city she grew up in, Chef DiMenna, a member of this hard-working event committee, and once again created delicious fare for the special evening.

DeRiggi-Whitton became involved with fundraising for the DRI shortly after her 14-year-old daughter, Amanda, was diagnosed with type 1 diabetes at age 3. "The theme of Cooking for a Cure has always been hope," she said. "We believe that the DRI is so dedicated to finding a cure for our children that one day our hope for a cure will turn into a reality." This year Cooking for a Cure honored Dr. Barbara Keber, associate director of the Family Medicine Residency program at Glen Cove Hospital.

Dr. Keber was recently named Physician of the Year by the Metropolitan New York Association of Diabetes Educators (MNYADE). Dr. Keber was recognized for her expertise, professionalism and creativity in helping individuals with diabetes learn how to effectively manage their disease. Dr. Keber is a team leader and member of the multidisciplinary Task Force for Diabetes Center Accreditation at Glen Cove Hospital. Thanks to the task force's efforts, in 2009, Glen Cove Hospital was the first hospital in New York State to earn advance inpatient diabetes management by The Joint Commission. "Dr. Keber has worked in family medicine and diabetes care management for most of her medical career. Her compassion, caring and commitment to her patients' is admirable. We honor Dr. Keber for her unending dedication and support of those she cares for," said DeRiggi-Whitton.

Jeanine DiMenna of Page One Restaurant accepts a certificate honoring her father, Joseph Mansi. The proceeds of the 2013 dinner were donated to the Diabetes Research Institute (DRI) in Joe's memory. Pictured with Jeanine, are Nassau County Legislator Fran Becker, Tom Suozzi, Nassau County Legislator Wayne Wink and Nassau County Legislator Delia DeRiggi-Whitton, DRI board member and Cooking for a Cure fundraiser chair.

## More Glen Cove College Bound Athletes Commit

This month several Glen Cove High School college-bound student-athletes announced that they would be exhibiting their talents on the playing fields and courts of their respective higher education institutions.

Varsity football players Christian Klimaszewski and Anton Seaman, varsity baseball player Tommy Ziegen and varsity basketball player Franklyn Mickens will all be playing in college next year.

Christian will attend Western New England. A two-year varsity letterman, senior captain and leader of the defense, he led the county in interceptions with six, but statistics do not show the impact Chris had on the team's defense, according to Coach Pete Kopecky. "The team won eight straight games this season, relying on a swarming defense led by Chris, who had a knack for making the big play," said Coach Kopecky. Chris was also a three-sport starter this year, earning All-Conference status in three sports: football, wrestling and lacrosse. "Players like him are the backbone of high school athletic programs," added his coach.

Meanwhile, Christian's teammate Anton will play at Division II Long Island University Post. This is an impressive feat considering he only played varsity football during his senior season. Also a three-sport athlete, Anton will play defensive line for the Post Pioneers this fall. "He took the athleticism he developed playing varsity basketball and baseball, combined it with his God given size and agility and earned a starting position with our team," added Coach Kopecky. "Anton was an integral part of the Big Red defense and the team's overall success."

Last month, Big Red varsity football quarterback Will Kassar committed to playing for Sacred Heart University. Teammate Dane Caufield also intends to play college football at a school to be determined.

Tommy announced he will play baseball at Old Westbury next spring. This season, he not only led the team in hitting, but accumulated the highest batting average in Big Red baseball history,

hitting .541, amassing two doubles, three triples and 18 runs batted in. Tommy also scored 19 runs, had seven stolen bases and finished with an equally impressive .600 on base percentage. If that wasn't enough, he even pitched for the team, finishing with a record of 2-3 and a quality 3.20 earned run average (per nine innings). "Tommy was a tremendous asset to our team," said Coach Kevin Nolan. "To excel in the batter's box, on the base paths and on the mound is extremely impressive. Hitting .300 is good; hitting over .500 is lights out!"

Franklyn will take his talents to the hoops at SUNY Purchase next winter. A three-year varsity basketball player, Franklyn led the team in scoring this season and served as co-captain of the first basketball team to win the Conference Championship in over 20 years at Glen Cove High School. "Frankie has always been a dedicated member to the basketball program," said Coach Pete Falen. "His work ethic both on and off the court has been commended by both his teachers and coaches alike. He is a team-first student athlete and is well received by all of his peers."

This brings the total number of college bound athletes in GCHS's Class of 2013 to 12. Here is the entire list:

**Baseball:**  
Tommy Ziegen, SUNY Old Westbury, Division III

**Men's Basketball:**  
Kewan Beebe, SUNY New Paltz, Division III

# Glen Cove Home Brew Open For Business

By Lorraine Ballero

Glen Cove Home Brew celebrated its Grand Opening last Friday as our city's newest addition to the downtown scene. Conveniently located at 58 School Street (Across from Starbucks), the store offers a variety of kits and products geared towards the beer brewing novice. The owner Bobby Janosick, accompanied by his sister Rachel Janosick and cousin Zachary Harowitz officially opened up shop at the store's grand opening, and hopes to educate people about the process of home brewing.

Mayor Ralph Suozzi attended the Grand Opening, along with the Glen Cove Chamber of Commerce and many other curious citizens looking to both welcome and learn about what the store has to offer. A ribbon cutting ceremony took place as well as official certification of the store's presence in Glen Cove.

Glen Cove Home Brew is the first of its kind not only in Glen Cove and the Gold Coast, but in the whole of Nassau County as well. Its merchandise features many beers and wine brewing kits, as well as fermenters, malts, yeasts, and a variety of flavorings to customize your beer's flavor and experience. Books explaining the process of fermenting as well as how to imitate your own favorite brand of beer are sold as well.

Excited to bring his new store to his own hometown, the owner Bobby Janosick hopes to diversify and bring more people to Glen Cove, as he feels the city is deserving of more attention to the little gems our city has to offer. A brewer himself, Janosick got the idea to educate people about the brewing process after many homemade attempts at creating his own beer.

"My first attempt was awful. My second, much better." He states.

After investing in better equipment and learning more about the process through his own research, he was able to perfect his methods, and felt he needed to share the experience of brewing your own beer. He explains that as a fan of beer, it's worthwhile to veer away from the mainstream tastes of beer to something more rich and unique. The quality of brewing your own beer and having the experience of doing so make you enjoy the taste and experience that much more.

True to his roots, Janosick is currently in the process of developing a new favor of beer in the namesake of his city and ours, The Glen Cove Ale.

Zachary Harowitz, Bobby Janosick, and Rachel Janosick at Glen Cove Home Brew's Grand Opening last Friday.

Mayor Ralph Suozzi and the Glen Cove Chamber Of Commerce welcome Glen Cove Home Brew to the downtown community.

## Glen Cove SAFE, Tobacco Action Coalition of LI and City of Glen Cove Announce: Tobacco Restriction Signage Posted at Local Playgrounds

The Glen Cove Substance Abuse Free Environment Agency (SAFE, Inc.), the Tobacco Action Coalition of LI (TAC) and the City of Glen Cove, are pleased to announce the expansion of the City's Tobacco Restrictions that were implemented in 2011 to include all of the City's Parks, Beaches and all youth oriented aspects of the Stanco Park.

On Tuesday, July 4, the City launched their Independence from the danger of smoking in the City's outdoor recreational venues as part of their celebration of this very significant National holiday. Once again, the City pro-actively joined the ranks of nearly 400 Municipalities statewide who have established Tobacco Free Outdoor Policies to protect their residents, employees, and the environment from the dangers of Second-hand Smoke, Cigarette Litter, and helping to change the social norms associated with the acceptability of tobacco use.

The Tobacco Action Coalition (TAC) is one 34 Community Partnerships funded by the NYS Department of Health's Tobacco Control Program working on the Tobacco Free Outdoor Initiative. Under this initiative, TAC is working with businesses and community organizations to implement voluntary entryway bans, as well as educating local municipalities about the benefits of

adopting tobacco use regulations for outdoor recreational areas such as playgrounds, parks and beaches. In addition to the technical support, TAC provides free signage. Therefore, this was a real win-win for the City and the residents in adopting policy to protect the community at no cost to the taxpayer.

With the mission of eliminating alcohol, tobacco, and substance abuse in Glen Cove, SAFE, Inc has been successfully serving their community since 1982 as the only alcohol and substance abuse prevention, intervention and education agency in Glen Cove, and shares many of the same concerns as TAC; most notably, keeping our young people free from the dangers of tobacco use and second-hand smoke. SAFE, with their long-standing excellent reputation in the City was the ideal partner for this venture.

After the success of their efforts to post signage to communicate the pilot project at Dennis Brain Murry and Stanco Park's Playgrounds and Danis Pocket Park Mayor Ralph Suozzi and the entire City Council along with Dr. Sharon Harris, Executive Director of Glen Cove SAFE, Inc. and Carol Meschkow, Nassau Coordinator for the Tobacco Action Coalition were eager to further that policy work that was realized two years ago.

"It was an absolute pleasure to work with Mayor Suozzi, Dr. Harris SAFE, Inc., and Darcy Belyea the City's Recreation Director, who all feel passionately about protecting the citizens of their fair City," stated Mrs. Meschkow. Dr. Sharon Harris, Executive Director of Glen Cove SAFE, Inc. with their long-standing excellent reputation in the City, to partner in this initiative.

"The Tobacco Action Coalition is most concerned about changing the social norms regarding tobacco use and protecting our next generation from the dangers of Second-hand Smoke, especially children. Their lungs are still maturing and smaller, and subsequently they breathe in 50 percent more air than an adult, making them more vulnerable to the dangers of tobacco smoke.

SAFE's mission to keep Glen Cove safe and protect our young people from the negative consequences of alcohol and substance abuse can't be accomplished in a vacuum. The value of community partnerships is imperative to our work here at SAFE, Inc. and on behalf of the Board of Directors and staff of SAFE we are grateful to have this effective collaboration to accomplish this goal.

On behalf of the City, "we are appreciative of the support that both TAC and SAFE, Inc. have provided in accom-

plishing this Smoke Free Outdoor Air Initiative, and welcome this next step in keeping our parks clean and safe," commented Darcy Belyea, Director of the City of Glen Cove Parks & Recreation Department who is working with the Coalition and SAFE on selecting sites to post additional signage in the new locations.

The relationship between the three entities has expanded beyond the Smoke Free Outdoor Initiative to working with the local school district on the states Point-of-Sale "Seen Enough Tobacco" campaign to help prevent the next generation of from becoming replacement smokers. Hopefully, said Ms. Meschkow "we can parlay on our strong bond and devotion for the community to include Smoke Free Housing Options for the City residents as well in the coming year."

TAC and SAFE are both delighted, and commend Mayor Ralph Suozzi and the City Council for their outstanding efforts to broaden their policy to include all of their majestic parks and beaches situated along the Islands famed gold coast.

## Primary Vote

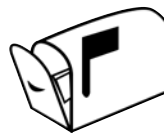

### To the Editor,

I was born and raised in Orrville, Ohio, a small farming community. During the fall of my senior year at Orrville High School my speech teacher asked me to enter and submit a speech for a county wide contest called, Speech For Democracy. That previous summer I had been reading Alexis de Tocqueville's Democracy in America, which I found profoundly moving and inspiring. I agreed to enter the contest and submitted a speech titled "Why You Should Vote in Primaries". I was pleasantly surprised that I came in first place and won a \$50 U.S. Savings Bond.

As summer winds down we will be coming upon the Nassau County Primary Election for County Executive on September 10th, 2013. Like that summer many years ago I have been moved and inspired by a man who is currently running for County Executive. He is a Democrat who believes in democracy, has the charisma to lead its citizens and envisions a future of innovation, growth and prosperity for Nassau County. If you do not know him please take the time to get to know him and his vision. His name is Adam Haber.

On September 10th I ask you to

# Letters to the Editor

exercise your democratic right and responsibility by voting in your Primary Election. Secondly, I ask you to vote for Adam Haber for County Executive so we can put forward the best man for the General Election on November 5, 2013.

### In With The Old And The New!

#### To The Editor,

As a life-long resident of and 17-year-long business owner in Glen Cove, I am well aware of how hard it is to keep a secret in this city. So, when I assumed the position of overseeing operations at the Soundview at the Glen Cove Golf Course (soon to be The View Grill), I knew that word would spread like wildfire. And it did even before Mayor Suozzi's very complimentary letter in the July 11 issue of the Gold Coast Gazette. But the prob-

lem is that as the Mayor's letter stated, circumstances dictated that I take over relatively quickly because golf season was starting and the restaurant had to be up and running for the first two outings in May. After that, I agreed to finish out the season and then one thing lead to another and before I knew it, I was in the unique position of running two restaurants in the same city! Well, at least I know my competition! But there are a number of impediments that will have to be overcome before we can operate as a full-service restaurant at The View. (For example, obtaining a liquor license, which we have already applied for, requires a waiting period.) Consequently, for now, The View is open for business for golfers and other people who enjoy Stanco Park during day-time hours only (i.e., from 6 am to 5 pm). However, rest assured, we will offer a dinner menu in

the not-too-distant future, so stay tuned! But until then (and any time thereafter, for that matter), you are all still welcome at Page One Restaurant seven days a week for lunch and dinner, so don't hesitate to come by. After all, Page One will always have my full attention such that a visit will be exactly what you have come to expect since I began at the restaurant in 1997. But by also calling the shots at The View, I will be able to offer Glen Cove and the surrounding region some diversity; specifically, Classic American Family food like baked clams, shrimp cocktail, steaks, chops and the like. So, if you crave such, once we are up and running, I invite you to give The View Grill on the Glen Cove Golf Course a try. And of course, until that point and at any time thereafter, if you desire New American Modernist cuisine, the place to go is still Page One Restaurant on 90 School Street. After all, no matter how many restaurants I oversee, Page One will always be first in my book!

*Sincerely,*

*Jeanine DiMenna*

## Glen Cove Boys & Girls Club Members Have Many Friends at Friends Academy

Glen Cove Boys & Girls Club has received three fully-funded scholarships from the Friends Academy W.A.T.C.H. committee. The scholarships will enable the Club to enroll three children into the summer Project Learn program, a well-rounded curriculum including a wide range education plan, sports and outdoor activities, hands on arts & crafts and technology projects, performing arts and in-house special themed day events.

W.A.T.C.H. – We Are The Community Helpers – is a Friends Academy committee encouraging and organizing students to get actively involved in various community outreach projects. Throughout the year, over 50 Friends Academy students have been volunteering at the Club on a weekly basis, helping Club members with homework help during Power Hour as well as getting involved with a variety of special events and projects including organizing a Basketball Tournament where members received healthy snacks and t-shirts for their participation.

"Friends Academy students really enjoy helping the kids with homework. They spend a lot of time doing their own homework and know how challenging it can be to focus on this after a long day at school. Our students wanted to end the year with a fun event so they organized a basketball tournament. I loved watching the Friends Academy kids playing with the Boys & Girls club kids," said Judith

James, Friends Academy Library Director & Community Service.

"We are grateful to Friends Academy and all the students who volunteer with us through the W.A.T.C.H. Their professionalism coupled with their en-

safe and well-supervised environment while keeping their children actively involved in learning. The three scholarships, valued at \$1,100, will enable three Club members to attend the six-week program.

W.A.T.C.H. committee encourages and organizes student involvement in the various community service projects. Also, it plans and carries out activities and assemblies in school designed to heighten awareness about reaching out to people in need.

# Great Book Guru

- Ann DiPietro

Dear Great Book Guru,  
Last weekend, I went to see the classic film "Lawrence of Arabia" in Brooklyn's iconic BAM Harvey Movie Theater. Recently renovated and restored to its 1920's gloriously gilded past, the Harvey is showing some of the best movies of the last decades and "Lawrence...." was certainly one of those. Making it even more interesting and relevant was the picture it drew of how the Middle East of 2013 with its myriad of issues came into being. I would love to learn more about that period of history and its many colorful characters. Any suggestions?  
Loathe to Leave Sea Cliff but....

Dear Loathe to Leave....  
I know just how you feel about venturing out of Sea Cliff on the weekend but sometimes one just has to do it. We joined Joseph Anzalone and Gillian DiPietro to see that movie in Brooklyn and it was indeed incredible. (Of course, we returned to Sea Cliff for a delicious dinner at the Metropolitan Bis-

tro !) We were left with so many questions that I searched out some books for answers and I found an especially good one: GERTRUDE BELL-QUEEN OF THE DESERT, SHAPER OF NATIONS by Georgina Howell. Bell was a contemporary of Lawrence's and in many ways more influential in determining the fate of that region. Born into the sixth wealthiest family in Britain, Bell had the means, personality, and intelligence to do whatever she wanted and her passion was Arabia. While she, Lawrence, and many of their allies were ultimately puppets of British imperialism, Bell remains a fascinating figure in a fascinating time and her biography reads like a novel. Recommended!

## Fantastic Success - Pancake and Friends

Glen Cove Rotary 1st Annual Pancake Breakfast was a great success. Without a movie theater, Glen Cove Rotary had to find other means to raise money for the many charities they support, Dress a Child (60 Children), send children to camp (20), scholarships and many others. Almost 200 people attended the breakfast. It was not only breakfast it was meeting friends and socializing. Many people did not want to leave. A great time was had by all.
